

# CONSULTING - SPECIFYING **engineer**®

May 14, 2015

OAK BROOK, Ill. — *Consulting-Specifying Engineer* has announced the recipients of the 2015 40 Under 40 award. This award is given to 40 building industry professionals age 40 and younger who stand out in all aspects of their lives, particularly in the nonresidential building community. To read a profile of each winner, visit [www.csemag.com/40under40](http://www.csemag.com/40under40).

Candidates were nominated by a professional colleague or mentor and judged based on nine areas including their commitment to excellence in their academic, professional, personal, and community involvement. In May, *Consulting-Specifying Engineer* honored each of these young professionals, highlighting traits that lead him/her to continued success, recent professional projects, and personal achievements with print and online coverage. Winners will be presented with their award at a ceremony in Chicago on Tuesday, Sept. 29.

“These diverse young professionals are dedicated to the building profession,” said Amara Rozgus, Editor-in-Chief of *Consulting-Specifying Engineer*. “Now in its eighth year, the program has increased in the number of nominees, and each winner truly stands out both professionally and personally.”
